

SHUTTLE NEWS

(Updated 4/13/22)

Hello Disc Golfers and Fans!

This information is HIGHLY IMPORTANT! Please read!

Parking for the 2022 Jonesboro Open is changing drastically. Over the last six years the tournament has gotten bigger, but so have the neighborhoods around the course. There are more houses around us and several more under construction. Because of this, there are major changes to this year's tournament.

First and foremost, there will be **NO PARKING ON THE STREET** or in Sloan Lake Estates.

In years past we have parked along the edge of the street and inside the subdivision. If you park anywhere along the street, you could be towed.

So, where do we park?

MPO & FPO Players: You will have a designated parking lot 2.0 miles from the course. You will receive further instruction in an email.

AMs, Spectators, Volunteers: You will have options, but those options change throughout the week so please read carefully.

First choice is Wednesday through Saturday, you can park at Walnut Street Baptist Church (1910 Scenic Road). We will have several shuttles moving you from the Church to Disc Side of Heaven main gate and back to the lot. Please be respectful of the church property at all times. This lot will not be available on Sunday. On Sunday, you can move to the Big Lots store (1907 Woodsprings Road) next to Walnut Street Baptist Church. This trip is roughly 6.5 minutes by shuttle so plan accordingly for your tee times. This will be known as the **SHUTTLE LOT**.

Second choice is dependent on weather. We have cleared more of the pasture adjacent to the course and have permission to park there. We can get a lot of cars out there, but please help us by carpooling as much as possible to maximize the space. This pasture land becomes very slick with rain so we will monitor this lot every day before opening. This will be known as the **GRASS LOT**.

Third choice is Ridgefield Christian School. This is a paved lot less than a quarter of mile from the main gate. This is the **SCHOOL LOT** and it is available on Saturday and Sunday only. Please do not try to park here Monday through Friday as it could keep us from having access to the lot on the weekend. Again, the School Lot is open Saturday and Sunday only. Please carpool here as well to maximize the space.

For AMs, Player's Pack Pick Up is moving this year to Craighead Forest Park. This will help alleviate a lot of traffic on Friday near Disc Side of Heaven. If you are in the C Pool, we recommend you use the School Lot or the Grass Lot (if open) on SATURDAY. If you are in A Pool, we recommend you use the School Lot or the Grass Lot (if open) on SUNDAY.
